

Missioned to prepare aspiring young professionals for the global economy, by providing access to coaching, job training and professional development.

Dear Partner:

You are cordially invited to take part in an incredible opportunity in support of Capital Region millennial students transitioning from high school, college and trade school into the global workforce through our Dance Marathon Launch Party. On Saturday, April 21, from 3:00 p.m. to 6:00 p.m., Mission Accomplished Transition Services (Mission Accomplished), along with its community partner Fingerpaint, will host a 3-hour Dance-A-Thon Launch Party at Jupiter Hall at Lucky Strike Social in Crossgates Mall. This “Glow Party” fundraiser is the kick-off event leading to the organization’s 8-hour Dance Marathon, scheduled for April 20, 2019 and a year of ambitious fundraising.

Join our featured event partner Fingerpaint in support of our mission and students by becoming an event sponsor. Further information on sponsorship opportunities enclosed.

This event will help support the customized industry-specific career education and coaching activities designed to help students define and achieve career, higher education and philanthropic goals; secure employment and internships; research, tour and enroll in college and vocational training programs; search for and commit to community service; and purchase professional clothes and other important supplies that ensure they are prepared to transition into the business world. The Launch Party will lead to an energetic year of fundraising for our largest Dance-a-Thon to date with a total goal of \$20,000 by April 20, 2019!
